

## Sponsorship Opportunities

**Boutique CDI\*\*\* at Rhythm and Blues Equestrian Center  
June 22-25, 2023**

Rhythm and Blues Equestrian Center has successfully held USDF/USEF Level 3 shows, drawing top-level riders from the Northeast and Mid-Atlantic region. To give these riders an opportunity to show under higher international requirements, we're proud to announce that Rhythm and Blues is the first private farm in the region to be approved to hold a CDI competition. It's a big undertaking, and we need your support. Please consider becoming a sponsor to promote the sport of dressage at this level.
